Statement Of Self:

I am a dedicated and ambitious scholar. Although my path to education has taken some turns, I found my will and desire to pursue Physics and STEM is stronger than ever. I have always taken steps to go above and beyond in any opportunity and love to learn more every day!

Research Interest:

I am interested in any currently available research opportunities. I would like to explore all sides of physics as my I make my way through undergrad. My intention is to develop as wide of an identity as I can in physics, as I make my way towards my PHD!

Education:

Victor Valley College:

- Business Administration AS (October 2023 – June 2025)
Summa Cum Laude
- Business Administration AS-T (October 2023 – June 2025)
